RE: Application of Tele-Circuit Network Corporation for Certification
of Public Convenience and Necessity to Provide Interexchange
and Local Exchange Telecommunications Services
Docket No. 2008-398-C

Dear Mr. Terreni:

As your records will reflect, this firm represents the Applicant in the above captioned matter. On behalf of the Applicant I would herewith request an extension of a period of an additional sixty (60) days from April 21, 2009, in which the South Carolina Public Service Commission might conclude this docket. The Applicant expressly waives the requirement that its application be determined within a period of 120 days. The Applicant has been working with the Office of Regulatory Staff to resolve the issues remaining in the docket and the additional time has provided the parties the opportunity to do so. Accordingly, the Applicant would further request that the Commission set a final hearing in the matter. The Office of Regulatory Staff does not object to the extension requested herein.

If the Hearing Examiner, counsel or you have any questions, please do not hesitate to contact me.

Sincerely,

Elliott & Elliott, P.A.

Scott Elliott
